

Dear Customers,

I wanted to send all of you a personal message from myself, Chef Tony Rocco, and the rest of our great team from Matteo's, regarding the COVID-19 pandemic. The State of Ohio has issued a mandate that all restaurants must immediately close for in-house dining service.

This is a severe blow to the restaurant industry and its many employees who depend on it for their livelihood. Although we disagree with the decision we are going to adhere to the mandate and effective tonight at 8pm will be closed for in-house dining.

However, starting tomorrow night (Monday, March 16<sup>th</sup>) we are going to open at 4pm for carryout service. Kixsy Siss will be onsite to take your carry out orders and we will have our chef and kitchen staff available to cook dinners. If you place a carryout you can come into the restaurant to pick up your order.

You can also utilize one of our three online delivery partners in Door Dash, Grub Hub, and Uber Eats.

During this carryout only period we are going to offer some specials for you to take advantage of. We are offering our Pasta and Meatball Dinner and our Famous Italian Mac-n-Cheese for only \$10. Also, we are discounting four of our popular wines, Dante Cabernet, Pinot Noir Marc Cellars, Pinot Grigio Tollo, and Riesling Wildblumen to only \$15 per bottle with the purchase of a dinner entrée. (you can get wine to go with your dinner). These specials are only available through call in carryout service (not available through our online delivery partners).

We are very grateful for your loyal support over our five years here in Olmsted Falls.

Hopefully, this closure will be for a short period and our team can resume serving you.

Best Regards,

Tom Grassi
